Old business: read the Feb, 2018 minutes.

New business:

- a) Celebrations: Kory and Cara now have signing authority at Servus credit union on council account. Staff appreciation went well and the staff really enjoyed it.
- b) Treasurer Report: Angela is absent. Cara and Adrienne said the account is all up to date, approx. \$5000 current balance. Sphere-o's have been ordered, agendas too. Kory said staff would like a wireless headset in the gym, and 12 new/used pairs of x-country skis. Can we paint games/pictures on concrete outside? Would this cost money? Keira thinks there is a set of stencils through district. Adrienne offered her husband to do the painting. Shouldn't cost us anything, or just cost of paint. Adrienne and Cara wondering about purchasing 2 new rolling carts, 1 for council, 1 for Pathways. The ones we have are NOISY and were always borrowing from Pathways. Kory said maybe, but he might know where others are stored in the school to be used.
- c) Fundraising Report and d) future purchases: see above
- e) Principal Report: Kory and Colette are currently working on the school ed plan. Spellathon went well, no total yet, maybe \$6000 so far turned in and counted. Young Writers Conference: May 5, 30th Anniversary. New painting from Georgia Graham to be hung up at the school. No total numbers yet, Kory will be looking for help to stuff packages in next few weeks. OP will likely have 35 spots for students.
- f) Hot lunch: Kaycee, going great! May need helpers on April 19.
- g) Free hot dog lunch: Likely June 22-to be confirmed by admin-Track and field day. Adrienne made a motion to set a budget of \$500, Cara 2nd, passed. Erika will donate the buns again this year. Adrienne will contact Olymel about donating the meat. Kaycee will check with Kerri about Prairie Bus Lines bbq.
- h) Family Night in the Park: Cara will check with Mandy about dates, skate shack. End of May maybe.
- i) Spring Fling: Cara will check with Tanya about prizes. We can use Jump 360 and swim passes as door prizes.
