We all know Ecole Oriole Park School is a great place, but how can we ensure that continues? By having support and participation from parents like you! Council meets once a month to discuss what's happening in the school. We help raise money for important projects and resources like the portable stage, musical instruments, hands-on technology, books, sidewalk games, and agendas. We organize events such as the Spring Fling and gym nights.

What would you like to see the school focus on? What events would be fun for the students? We are in the early planning stage for developing an outdoor classroom. If you have ideas related to this, we'd love to hear from you!
