January 17, 2024 at 6:00pm

Location: OP Library or Online [HERE](#)

### Welcome

*We would like to acknowledge the land we meet on tonight is and will always be the home of the Indigenous peoples. In the spirit of reconciliation, we recognize that the communities we live and learn together on are located within the Indigenous traditional territories represented by Treaties 6, 7 and historic Metis gathering sites. We offer respect to this land and its 21 First Nations, Metis and Inuit. We are committed to building stronger relationships through trust, truth, and the steps of reconciliation to ensure a meaningful and lasting prosperity.*
