Land Acknowledgement

As we begin I would like to recognize the land we are on. To the South of the Red Deer River is Treaty Seven and the land that our school resides on, North of the Red Deer River is on Treaty Six. Red Deer is located on ground that was traditionally used by the Blackfoot, Stoney and Cree people. They would come to this area for hunting and trading. The Metis people also traded along the Red Deer River. It is important that we recognize and give thanks for the use of this land.
